Our Mission

- ⇒ **Raise Awareness** one Child, one Parent, one Home, one Daycare, one School and one Community at a time in an effort to **aid in the Prevention** of this horrific crime against children all across America.
- ⇒ Speak with Church Leaders & **encourage Churches to get involved** & play an active role in raising awareness, assessing the need and starting ministries in and for their communities... to help with understanding the why of Sexual Abuse & most importantly to **share the Message of Hope**. Will strive to obtain a minimum of one Church per Community in support of this Mission.
- ⇒ Work vigorously to **Remove two of the greatest Obstacles** in protecting children from Sexual Abuse... Denial and Lack of Education
- ⇒ Send a message to Sexual Predators by **taking a Public Stand** against this perverse act against the most innocent & helpless of victims... Children.
- ⇒ Focus on **What We Can Do**.
- ⇒ Measure Success by...if SpeakingOut helps **1 Child**, it will have been worth the effort. **What if that 1 child were your child?**

Latest Fundraising/Awareness Event

On December 13, 2009, Terry Head (Mary Kay Independent Beauty Consultant) & SpeakingOut teamed up together to hold a Christmas Holiday Fundraising/ Awareness Event; a Mary Kay Open House. It is always a blessing when someone puts in their time and efforts in order to raise funds for our cause. In addition, holding events such as this always gives SpeakingOut the opportunity to Raise Awareness. All it takes is just a few minutes with a teenager where we are able to discuss the dangers out there, as well as what they can do to prevent becoming a victim for our event to be considered a **Huge Success...**

as Every Child is Worth It; Our Time and Efforts!

*Terry Head, thank you so much for holding this event to benefit our cause.
We appreciate you!*

A Great Book for Parents to Read with their Little Ones (Younger Children). "Joey Wants To Know" is a fun & simple way to open up the communication line between you & your child or grandchild to begin talking about appropriate & inappropriate touch. Going more in-depth is then left completely up to you as you see fit & age-appropriate. — Susan Suafoa-Dinino, President/Founder of SpeakingOut

"Joey Wants To Know is a creative tale about an inquisitive young kangaroo named Joey who wants to understand the difference between a good touch and a bad touch. Joey's questions are answered in this informative story when his mother explains appropriate and inappropriate touch and that it is okay for Joey and his sister to tell if they receive a bad touch – even if the touch is from a family member or a friend. A must-read for the day and time in which we live, Joey Wants To Know springs from the author's own personal childhood experience and her desire to help **protect one child at a time**. Full of colorful illustrations and loveable characters, Joey Wants To Know is an excellent tool for parents to teach and entertain children..."
