On January 16, 2010, SpeakingOut had the opportunity to set up an Information Table at a Men's Conference held at Sevier Heights Baptist Church. Feed Your Faith presented this conference for men called "The Good, The Bad and The Forgiven". One of the Guest Speakers was Burt Rosen, President & CEO of KARM (Knox Area Rescue Ministries). Being at this event allowed us to Raise Awareness on Child Sexual Abuse in a big way... many stopped by our information table. This is our Primary Purpose... **Raising Awareness on Child Sexual Abuse in an effort to Aid in the Prevention of this horrific crime committed against innocent children of all ages.**

We would like to thank Bruce Anderson of KARM (Knox Area Rescue Ministries) for inviting SpeakingOut to be a part of this wonderful event. Thank you for thinking of us!

"A Great Book for Parents to Read with your Little Ones (Younger Children)... Assists in opening up the communication line between you & your child or grandchild about appropriate & inappropriate touch... allowing you to go more in-depth as you see fit & age-appropriate. This is a very helpful & fun resource."

Susan Suafoa-Dinino, President/Founder of SpeakingOut

"Joey Wants To Know is a creative tale about an inquisitive young kangaroo named Joey who wants to understand the difference between a good touch and a bad touch. Joey's questions are answered in this informative story when his mother explains appropriate and inappropriate touch and that it is okay for Joey and his sister to tell if they receive a bad touch – even if the touch is from a family member or a friend. A must-read for the day and time in which we live, Joey Wants To Know springs from the author's own personal childhood experience and her desire to help **protect one child at a time**. Full of colorful illustrations and loveable characters, Joey Wants To Know is an excellent tool for parents to teach and entertain children..."
