## A Survivor is SpeakingOut

“Imagine if every ADULT who has ever been molested as a child recognized they were not alone. Imagine if every ADULT who has ever been molested as a child let go of a shame that was never theirs to carry. Imagine if every ADULT who has ever been molested as a child found their voice. Imagine if every ADULT who has ever been molested as a child joined hands and told their story. Our country needs us to speak the truth, because we have a nation of adults doubting if there is really a problem or that there even is an epidemic. This journey of honesty is not only to help heal ourselves but to protect this generation of children and the next generation and the next. Sexual Abuse of Children can be Stopped. It needs a voice. Our voice.”
