## SpeakingOut to... STOP Child Sexual Abuse!

(November — December 2008 Campaign)

In order for us to continue fighting against the sexual abuse of innocent children, we need your help! These children need your help! SpeakingOut is working vigorously to Raise Awareness on this crime to aid in Prevention... Ultimately to Stop Child Sexual Abuse. As a non-profit organization, we rely on caring people like you to work toward our mission. By offering free workshops open to the community, and with operating costs, printing costs, postage & other supply needs, our team sat down and set a funding goal for the next three years. In order to reach these goals...

***We Need Your Support!***

## More SpeakingOut News!

### Corporate Sponsorship

We are currently **Seeking Corporate Sponsors** to help us continue working toward our Mission to aid in the prevention of Child Sexual Abuse.

Together, we can make a difference! We have several programs/options available. All of our programs are based on an annual basis.

It's a great way for your company to support a great cause, while advertising your business. We offer 6 different levels of Sponsorship ranging from \$600/year as a Small Biz Sponsor up to \$24,000/year as a SpeakingOut Partner. Our program options are as follows...

Direct Program: One time or monthly donations.

Employee/Company Match Program: Level of Sponsorship is determined by overall total contributed.

Percentage of Sales Program: Based on an agreed upon % of sales.

Please contact us today if your company would like to **get involved!**

### Used Cell Phones/Ink Cartridges

Support our organization by **donating your used cell phones & ink cartridges** while helping save the environment from toxic waste! By doing this, you will be giving old technology new life and keep it from polluting our landfills. If improperly disposed of, one cell phone can pollute up to 132,000 liters of drinking water. Your unwanted cell phones and inkjet cartridges will be recycled in accordance with EPA regulations or refurbished and reused. All cell phones and ink cartridges are accepted.

Please contact us to donate your used cell phones and ink cartridges!

### October Update!

On October 4th & 5th, SpeakingOut held our **1st Annual Fall Clean Up for Charity** fundraising & awareness event. We were able to raise \$575 for our cause. In addition, we were able to raise awareness by handing out information to shoppers. What a blessing! A special thanks to each and every person in the community that donated items for us to sell! We could not have had such a successful event without the help of those generous individuals.

On October 23rd, I was able to attend the **Newcomer Club** Meeting in Greeneville, TN as their Speaker of the month. It was an absolute blessing to once again raise awareness on the horrific crime of Child Sexual Abuse and with such an interactive, helpful & active in their community group of people.
